

Pediatrics Unit Kidd '10'

Overview:

- Expanded, relocated 25-bed pediatric unit, including 6-bed critical care unit
- Larger space (18,000 square feet) to better meet the needs of children and youth, and their families

What's Happening (Highlights only):

- Phase 1 – Construction will begin immediately and pediatrics will relocate from current space on Burr 1

Benefits:

- Improved access to care for the region's youngest patients
- Pediatric critical care will be consolidated in one area to best serve the under-18 population.
- Family lounge area will provide a more comfortable environment for caregivers
- Additional space to support education of health care providers
- Enhanced ability to recruit and retain leading health care professionals
